

Avetta (formerly PICS Auditing) Implementation

Dear Supplier,

As a valued Arkema supplier, you have been selected to participate in Arkema's Supplier Management Program. This program is vital to ensuring a safe and healthy workplace for employees and suppliers working at Arkema locations.

Please note that participation in this program is **required** to continue providing services to Arkema, but does not guarantee that you will be awarded work by Arkema. However, it does ensure that you meet Arkema's background criteria, health & safety standards, insurance requirements, and are qualified to perform work when requested by an Arkema location.

Please review the qualification process instructions and complete the process by the dates noted. Thank you in advance for your support to make Arkema one of the safest work places in the industry.

Best Regards,
