Subject: **Please Read: Performance Contractors and Avetta Relationship**

Relationships with our subcontractors are critical to the success of our mission. As a company, Performance Contractors is committed to a culture focused on safety and mitigating risks and it is vital our subcontractors share those same values. As indicated through our partnership, Avetta has earned our trust in their commitment to this shared goal.

With this program and partnership in place, we want to make it easy for you to understand our work requirements, become compliant, and remain compliant for future work with us.

### **Our Subcontractor Management Program with Avetta**

We are asking you to register in the Avetta network and complete our vetting process to achieve compliance. An Avetta membership gives you access to a network of 500+ global hiring clients, specialists to fast-track your compliance, exclusive discounts on valuable services, and preferred rates with top insurance providers.

There is a cost to join the program based on the level of compliance required for your business and the type of services your company offers.

### **What's next?**

**Please keep an eye out for an invitation from the Avetta Registrations Team** (on behalf of us at Performance Contractors). Avetta's Team will reach out to walk you through registering with Avetta and joining our Subcontractor Management Program if you are not already subscribed.

Please reach out to myself if you have specific questions about your working relationship with us. We're looking forward to our continued partnership!

Thank you,

Michelle Landry
