

## **CBRE Asia Pacific partners with Avetta for Supplier Screening Program**

At CBRE Asia Pacific, we are committed to high standards in quality, responsibility, and sustainability. We are now expanding our Supplier Screening Program with Avetta to standardize our risk management processes across APAC, provide visibility into the risk profiles of our suppliers, and actively measure the ongoing qualification of our suppliers. As we work to create a safer future, we need to ensure we conduct our operations in a socially responsible and environmentally sustainable manner.

We have engaged Avetta ([www.avetta.com](http://www.avetta.com)) to support our Supplier Screening Program and streamline our pre-qualification process. Avetta specializes in connecting the world's leading organizations with qualified suppliers like you.

All suppliers will be required to register and pre-qualify through the new process. You will receive a communication from Avetta soon to indicate the start of the transition. Upon registration, your membership in the Avetta network will bring unmatched visibility to hundreds of other clients, who will have the ability to invite you to join their list of qualified suppliers.

This communication serves as an early introduction to the program for your organization.

Please do not hesitate to reach out to your CBRE contact if you have specific questions about your working relationship with CBRE Asia Pacific.

Regards,

CBRE Asia Pacific
