

## **CSR and Avetta: Our new Subcontractor Onboarding & Compliance Program**

At Collective Strategic Resources, LLC (CSR), we are implementing a new Subcontractor Onboarding & Compliance Program with our partners at [Avetta](#). We are a division of PowerGrid Services, and we are a trusted utility service partner in power restoration, event management, and strategic solutions. We are driven to be “Powered by Excellence” and safety is our primary commitment.

Using Avetta’s software, we can implement a more robust safety and vetting program to manage health and safety, sustainability, and risk. With this new program and partnership in place, we want to make it easy for you to understand our work requirements, become compliant, and remain compliant for future work with us.

### **Our Subcontractor Onboarding & Compliance Program with Avetta**

We are asking you to register in the Avetta network and complete our vetting process to achieve compliance. An Avetta membership gives you access to a network of 500+ global hiring clients, specialists to fast-track your compliance, exclusive discounts on valuable services, and preferred rates with top insurance providers.

There is a cost to join the program based on the level of compliance required for your business and the type of services your company offers.

#### **What’s next?**

**Please keep an eye out for an invitation from the Avetta Registrations Team** (on behalf of us at CSR). Avetta’s Team will reach out to walk you through registering with Avetta and joining our Subcontractor Onboarding & Compliance Program.

Please reach out to [csrinfo@collectivestorm.com](mailto:csrinfo@collectivestorm.com) if you have specific questions about your working relationship with us. We’re looking forward to our continued partnership!
