

Dear Supplier,

Trans Ash would like to inform you about an important change to our Compliance Management Program for all suppliers.

Starting **today**, Trans Ash will require all suppliers to participate in a new Compliance Management Program operated by our partner Avetta. The program will help streamline the pre-qualification process and ensure ongoing compliance for all your projects with Trans Ash.

To continue our partnership, **your company must register for the program before January 12, 2022** and submit the required documentation. Don't wait, complete your registration today using this [link](#).

There is a cost to the program which will be outlined in the registration process based on the level of compliance required for your business. We believe that this program will deliver great value to our suppliers. In addition to ensuring your company meets the compliance requirements; the program offers you additional benefits:

- Compliance Specialists to help you get on site and working quickly
- Fast-track compliance for all projects with Trans Ash and other clients you serve
- Exclusive discounts on PPE and other valuable goods and services and preferred rates with top insurance providers
- Opportunities to be grow your business through Avetta's network of 550+ global enterprises looking to hire compliant businesses like yours

Please click [here](#) or call **800-506-7427** for more information about the program and the benefits of joining Avetta. Please reach out to safety@transash.com if you have any specific questions about your working relationship with Trans Ash.

Regards,

Doug Rigsby
ESH Director
