

Compliance Made Simple with Vetify

Faster Approvals, Ongoing Support, Lower Costs

With Vetify, a dedicated compliance expert acts as an extension of your team — streamlining prequalification, handling renewals, and proactively managing requirements. The result is faster approvals, smoother compliance, and more confidence to take on the next opportunity.

Benefits

Expert Support at a Lower Cost

Partner with a dedicated compliance specialist who brings deep expertise on Avetta, client requirements, and local industry standards — at a fraction of the cost of hiring or outsourcing. Get the guidance you need without straining your resources.

Faster, Stress-Free Compliance

Accelerate prequalification and stay work-ready with expedited document reviews, variance management, and insurance renewals. Save time, reduce stress, and avoid costly delays.

Proactive Compliance Management

Get ahead of requirements with active account monitoring and ongoing updates. Vetify helps you avoid gaps and keep your compliance on track at all times.

Features

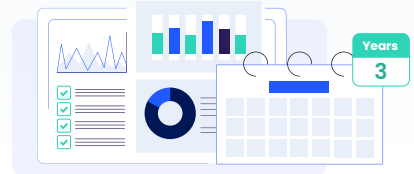

Customised Compliance Support

Compliance checklist customised per client specifications, assistance with the Prequalification Form (PQF), and support for partially completed processes.

Annual Health & Safety Updates

Annual updates with relevant health and safety statistics from the past three years.

Insurance Policy Collection & Renewal

Collection, verification, and proactive facilitation of insurance policy renewals and updates, including upload of all required insurance information.

Variance & Safety Manual Handling

Management of variance requests with clients, expedited safety manual auditing, and customised compliance assessment.

Ongoing Account Maintenance

Continuous monitoring of your account with bi-weekly open task emails, multi-client administration, and on-demand support for new client requirements.

Thanks to Vetify, we were able to get compliant with a new customer. Your services allowed for us to start the project early and finish early, making for a happy customer.
