

Workforce by Avetta Mobile App

Enable a safer, smarter, and more productive workforce.

Avetta's easy to use worker mobile app removes onboarding bottlenecks and empowers your workforce with a modern mobile experience.

With the Workforce by Avetta mobile app, your workers can:

- ✓ Check site access and work-ready status
- ✓ Gain access to worksites using QR codes or Bluetooth Tap to Access
- ✓ View roles, competencies, and compliance progress
- ✓ Complete training assignments and inductions before arriving on site
- ✓ Upload competency documentation and check their verification status

The Workforce by Avetta mobile app is for

Workers

Contractors

Subcontractors

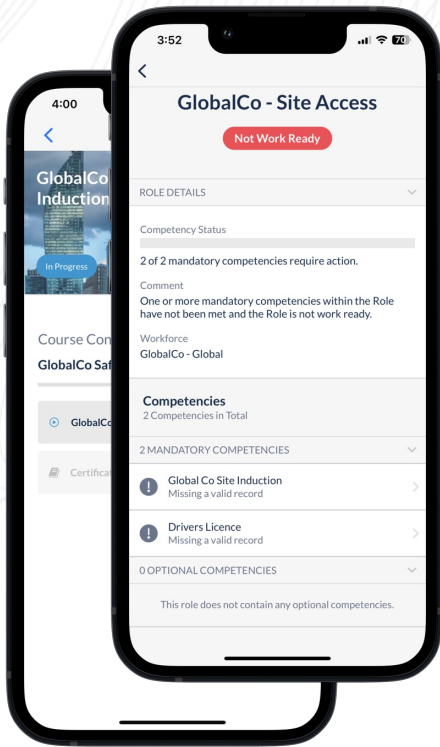

Temporary
Workers

Reduce administrative delays, streamline worker compliance

Expired competencies, lost access cards and missed training requirements disrupt productivity, costing time and money.

Reduce administrative delays and make it easy for your workforce to get on site faster with the Workforce by Avetta mobile app.

Available offline, the mobile app helps workers to understand, achieve and maintain compliance to safely conduct the work they are asked to perform. Make job sites safer for your entire workforce – from employees to contractors – with the Workforce by Avetta mobile app.

“The Workforce by Avetta mobile app has been instrumental to achieving immediate access for workers to site. Not only are we stripping back our timelines for site readiness, the mobile app provides the worker with more information – subscription history, roles & competencies, status, and access/log point data – all on their digital card.”

Create safer workers & job sites

Workers can access and complete training prior to arriving on site, ensuring they have met the site requirements and are ready for work.

Remove administrative burden

Workers can present their digital badge directly from the app, reducing dependency on plastic cards and eliminating unnecessary site access delays.

Ensure consistent site compliance

Workers can easily see their current subscription status and view which sites or locations they can access.

Optimise compliance turnaround time

Workers can quickly and easily check their compliance status and upload existing documents within the app or by using the phone camera.

Workforce by Avetta is available on the Google Play Store and Apple App Store.
