## Avetta One

### One Platform, One Solution for End-to-End Supply Chain Workforce Management

At Avetta, we understand that every supply chain is unique and comes with a diverse range of risk factors. This makes creating a holistic compliance framework a necessity for businesses. Avetta One is the industry's largest Supply Chain Risk Management (SCRM) platform. The platform comes with advanced workforce management features that empower suppliers and clients to determine the set requirements for each role and worker delivering services.

With Avetta One, you can easily map worker roles to the competency and training required to conduct a job safely and efficiently. Additionally, the system also verifies worker training, certifications, and qualifications so you can stay assured that qualified workers are conducting work for your business.

## How it Works

1

Avetta configures your qualification and training requirements by role and location.

2

Your suppliers register their workers, submit competency documents, and complete online inductions.

3

Avetta uses a combination of professional expertise and technology to review the documentation and approve worker entry to your site.

4

Avetta's Access Control solution validates workers at the gate and permits entry to compliant workers.

### About Avetta

The Avetta SaaS platform helps clients manage supply chain risk, and their suppliers, to become more qualified for jobs. For the hiring clients in our network, we offer the world's largest supply chain risk management network to manage supplier safety, sustainability, worker competency and performance. We perform contractor prequalification and worker competency management across major industries, all over the globe, including construction, energy, facilities, high tech, manufacturing, mining, and telecom.

For suppliers in our network, our audit and verification services help lower their safety incidents rate by 29%. As a result, about 50% of members find additional job opportunities within the first year of joining. In addition, our suppliers receive privileged access to the Avetta Marketplace, where dozens of partners offer special discounts for business services like insurance and work gear. Avetta serves more than 500 enterprise companies and over 125,000 suppliers across 120+ countries.
